Request to Works Contractors to Pay GST

- Even after one year of implementation of GST system, a large number of works contractors are still in the habit of not filing tax returns and not paying their GST dues.
- As per available information, about 30,000 works contractors have received payment of around Rs.14,000 Crores from the State Government Departments from 01/07/2017 to 30/06/2018.
- Out of them, 4987 numbers of works contractors have not filed GST return in GSTR-3B till date.
- 5696 numbers of works contractors have filed return reporting 'Nil' tax liability though they have received huge payments from Government Departments.
- **Such works contractors are hereby advised to file the GSTR-3B return and pay their GST dues immediately, failing which penal action as per GST Laws will be initiated against them very soon.**
